**Which will be your favorite river?**

## Dear Readers and Travel Enthusiasts,

*"Life was meant to be lived, and curiosity must be kept alive." Well said, Eleanor Roosevelt – onward to a life of adventure!*

*Sweeping views are calling on Europe's most beautiful rivers! Our commitment is stronger than ever. From check-in, to shore excursions, to our Gala Farewell Dinner, we make every effort to provide you with an unparalleled cruise experience.*

*Our newest ship, the "AMADEUS Cara", was christened and entered service in July of 2022. In the spring of 2023, we look forward to welcoming another new vessel, the Cara's sister-ship, the "AMADEUS Riva", which features the same innovative design concepts. Both are scheduled to cruise on the Rhine, Main, and Danube Rivers. With each new addition to our fleet, we continue our 40-year tradition of innovation and excellence with a focus on contemporary cabin design, modern elegance, and luxurious comfort.*

*As a traditional, family-owned, Austrian company, we care about the environment. As we cruise through "our own backyard", we utilize the latest state-of-the-art systems and onboard technology to maintain and sustain the rivers and environments around us. AMADEUS is proud to continue to support sustainable travel practices; and in our commitment to observe ecological principals, we have taken an active leadership role in meeting the growing challenges of environmental sustainability. In an effort to protect the delicate eco-system and the beauty of the rivers for future generations, AMADEUS is dedicated to using resources as sparingly as possible. Every day we strive to earn our reputation as the "pioneers of luxury, eco-friendly river cruises".*

*Make 2023 the year to rediscover our legendary itineraries as you cruise past the breathtaking riverbanks along the Rhine and Danube; or through Burgundy and Provence along the Rhône and Saône Rivers in the South of France; and from Paris to Normandy along the fabled Seine River in the north. Marvel at the beauties of this world on Dutch and Belgian Waterways, or in the Danube Delta and on the shores of the Black Sea. In addition, we feature golf and winter cruises, each offering those rare experiences not to be missed.*

*Now is the time to plan. Space is limited, and our special savings end on November 30, 2022. Extraordinary worlds await discovery, and we look forward to welcoming you on board one of our award-winning vessels in the near future!*

**F**or over 40 years we have been cruising the most beautiful regions along European rivers. From the very beginning, our special way of traveling resulted in great respect for nature, culture and the people we meet along the way. Therefore, it is natural for us to prioritize responsible travel practices. From the launch of the first AMADEUS ship, we not only met environmental protection standards, but also set new ones. This has remained the case to this day and as a family business, sustainability is more than just a buzzword for us. It is fundamental to our core values.

# Responsibility is our hallmark

## AWARD-WINNING SUSTAINABILITY

### A sustainable future is the greatest reward

In the spring of 2022, the AMADEUS fleet received the prestigious Green Award – a recognition of our **industry-leading performance** in safety and environmental standards. This internationally renowned award is given to river cruise ships that consistently follow the principles of sustainable travel and do their part to ensure that the future on these incredible rivers is as special as the experiences they give us today.

### Our commitment to the environment

Sustainability and traveling in harmony with nature is a matter close to our hearts. Here is how we do it:

#### Shore-powered electricity and energy-efficient technology

When we are in port, we connect our ships to the on-site energy grid via Powerlock whenever possible. This also applies to the winter period, when we prepare our fleet for the new season which allows us to reduce noise and dirt in the surrounding cities. On board, too, we utilize the latest generation of energy-efficient technology to lower power consumption across the board.

#### Low emissions complying with the latest standards

Standards are good, but exceeding them is better. Whenever we build a new ship, it sets new standards in technology. The latest generation of AMADEUS ships is equipped with innovative engines that effectively reduce overall fuel consumption. Our Fleet Controlling System keeps our engines running at maximum efficiency and automatically travels at the speed that consumes the least fuel. In addition, our excursions are also planned to be as fuel-efficient as possible.

#### Our water and the natural water cycle

Naturally, we have a special connection with water. That's why it's so important to us to keep it clean. The ships in our fleet are equipped with state-of-the-art water treatment plants. Using membrane technology, our plants use microfiltration systems and recycle all the water we use on board. In addition, we make sure to use as little water as possible. For example, we use vacuum toilets to minimize water consumption. We also reuse towels as often as possible.

#### Less plastic, more recycling

We don't do disposable. That's why you'll find soap and shampoo dispensers in every bathroom, glass water bottles on every cabin table, and paper straws instead of plastic ones. In the near future, we will also introduce Tetra Pak water containers on every excursion. With our modern waste

management system, we ensure that much of what we dispose of becomes valuable raw material once more, ready to be repurposed again and again.

### Our social sustainability

Travel and respect go hand-in-hand for us. We respect the nature around us and the people we meet along the way. We respect each destination's history, culture and identity, and we want to understand and protect them. This philosophy also applies to our business model and crew because we believe that work is more fun when you feel appreciated, that teamwork is the key to excellence, and that we can all grow through further training and qualification.

### Together into the future

Sustainability is our guiding principle. We think and act beyond what current industry standards require, and we will continue to do so in future with ever more sophisticated technology that reduces energy consumption and emissions, with clever concepts for optimum recycling, and with a great deal of empathy for our guests, our crew and the people we meet along our infinite journeys.

Traveling on rivers is a wonderful experience that we are passionate about sharing with you, not only today, but also tomorrow.

## Tulip Serenade

AMSTERDAM – GHENT – AMSTERDAM

Medieval city of Ghent in Flanders with church of St. Nicholas and town hall

### DAY 1 | NETHERLANDS: AMSTERDAM

Your Dutch adventure begins in Amsterdam, where you will embark in the afternoon. After a Welcome Cocktail and a celebratory Welcome Dinner, you will get to enjoy a performance on board by a traditional shanty choir, setting the mood for the days to come.

### DAY 2 | ARNHEM

Voted “greenest city in Europe”, Arnhem rebuilt itself after the famed 1944 battle immortalized in the film “A Bridge Too Far”, and is now a thriving fashion town with fine museums and beautiful parks. Choose to join the morning city tour to appreciate its beautiful sights and delve deeper into the history of World War II at the War Museum.

Later in the day, choose between a trip to the Open Air Museum with views of charming Dutch buildings, industries and crafts of by-gone times and the Kröller-Müller-Museum, housing the second-largest collection of Van Gogh paintings in the world. Relax on board in the evening, enjoying a delicious dinner as your AMADEUS vessel cruises onwards to the next destination – Middelburg, the capital of the Dutch province of Zeeland.

### DAY 3 | MIDDELBURG

Before lunchtime, your cruise ship will dock in Middelburg. As one of the centers where the Dutch East India Company flourished in the 17th century, this lovely city features historic merchant houses and storefronts lining its canals. This afternoon, take part in a guided walking tour and learn more about its history and culture, or visit Netherland’s “modern wonder of the world,” the Delta Works, which protect the southwest of the Netherlands from the sea.

Continue to the historic village of Veere, once a key location for trade, marine and fishing.

### DAY 4 | BELGIUM: GHENT

During the night, your vessel will dock in Ghent, the ultimate medieval city, which you can explore in the morning. Admire architecture preserved since the late Middle Ages and visit 13th century residence of the Counts of Flanders, the Gravensteen or “Castle of the Counts”. In the afternoon, join the excursion to Bruges, the capital of the province of West Flanders and home to one of the most charming city centers in Belgium. Thanks to its many canals, Bruges is also known as the “Venice of the North”. Alternatively, remain in Ghent to sample some local delicacies as part of a beer and chocolate tasting.

### DAY 5 | ANTWERP

Antwerp, the second-largest city in Belgium, welcomes you today. After breakfast, join the excursion to the politically and culturally significant city of Brussels. View the iconic Atomium, which was created for the 1958 Brussels World’s Fair and, thanks to its popularity, was not torn down as originally planned. Visit the Cinquantenaire Park with its triumphal arch, built to celebrate the 50th anniversary of Belgium’s independence. In the afternoon, explore Antwerp in a comfortable coach. Famous for its diamond trade, the city also boasts many cultural highlights such as the Cathedral of Our Lady with paintings by the famous Baroque artist Peter Paul Rubens. In the evening, enjoy dinner with your fellow guests, while your vessel returns to the Netherlands.

### DAY 6 | NETHERLANDS: ROTTERDAM

Early morning, your ship will arrive in Rotterdam, the second largest city in the Netherlands. After breakfast, you can pay a visit to Kinderdijk, which houses the most unique windmill complex in the world. Built to drain water from

the soil, these windmills are now protected by UNESCO and are one of the Netherlands’ most popular tourist destinations. Alternatively, you can marvel at the Rotterdam port, Europe’s largest seaport, during a harbor cruise, and discover local delicacies in a visit to the iconic Market Hall thereafter.

After lunch, you can explore the world-famous Keukenhof gardens or take a tour to the lovely canal town of Delft, renowned for its link to Johannes Vermeer, Delft Blue earthenware and the Royal House. During dinner, the ship departs for the final leg of the cruise back to Amsterdam.

### DAY 7 | AMSTERDAM

Amsterdam welcomes you back today and you have a wealth of excursion options to choose from! In the morning, cruise through the lovely, verdant canals of Amsterdam while learning more about the city’s history and significance.

After lunch, you can visit Waterland in North Holland, where you will stop in the charming fishing village of Volendam and the equally picturesque town of Edam. Renowned for its cheeses, Edam is the perfect spot for a tasting of locally-produced cheeses.

Alternatively, you can visit Haarlem in the afternoon, where you will learn more about its art, history and the Dutch lifestyle. During the city’s Golden Age four centuries ago, Haarlem was a thriving commercial center rivaling Amsterdam.

This evening, the festive Captain’s Gala Dinner will provide a fitting finish to the day.

### DAY 8 | AMSTERDAM

Enjoy one more leisurely breakfast on board before disembarking. The Amadeus team wishes you a safe journey home and looks forward to seeing you again in future.

## BASEL – AMSTERDAM

Amsterdam's city center is crisscrossed by small canals

### DAY 1 | SWITZERLAND: BASEL

Your journey begins in Basel, the third-largest city in Switzerland. Embark your AMADEUS vessel and join fellow travelers at a Welcome Cocktail followed by a Welcome Dinner. Your floating hotel departs late this afternoon.

### DAY 2 | FRANCE: STRASBOURG

During the night, your ship left Switzerland and followed the Rhine into the Alsace region of France to Strasbourg, a city known not only for its romantic old town, but also for the numerous important European institutions. In the morning, explore the city independently, or as part of an organized tour. In the afternoon, a detour to the countryside is highly recommended, particularly along the famous wine route, where the quaint wine-growing villages will delight wine-lovers and the general public alike. Late tonight, your ship departs for Germany.

### DAY 3 | GERMANY: SPEYER · MANNHEIM

Before breakfast, arrive in the Rhineland-Palatinate town of Speyer, which played a central role in the Holy Roman Empire during the Middle Ages. Your ship remains here until lunchtime, offering time to explore this historic destination on your own or with the guided tour. During lunch, your cruise will continue toward Mannheim, our next stop along the picturesque Rhine where it will dock for the remainder of the day. Take the excursion to the nearby city of Heidelberg, on the Neckar River, which boasts a lovely Baroque old town. As an additional option, we offer a guided visit to the German National Garden Show 2023 in Mannheim (from April 14 – October 08),

located in the grounds of Spinelli park, a former US military base, and extending into Luisenpark. Late at night, your AMADEUS vessel continues in the direction of Rudesheim.

### DAY 4 | RÜDESHEIM · KOBLENZ

Two charming stops await you today. In the morning, arrive in Rudesheim, a town well known for its winemaking. Explore the town on a guided tour with a stop to see the private collection of automated musical instruments at the Mechanical Music Cabinet Museum. Or choose to go farther afield to a local vineyard for a tasting of the wines of the area, finishing with a walk along the lively "Drosselgasse". The ship will depart at lunchtime to cruise the most picturesque section of the river – the Upper Middle Rhine Valley. The view from the Sun Deck of the myth-enshrouded Lorelei Rock is sure to be a highlight. After lunch, arrive in Koblenz, one of Germany's oldest towns, where you can end the day with a stroll through the pedestrian area and the cable car ride to Ehrenbreitstein Fortress, high above the hill.

### DAY 5 | KOBLENZ · COCHEM

The vessel departs from Koblenz in the early hours, and makes a detour along the Moselle River to the most romantic part of the valley and the little town of Cochem. The magnificent Reichsburg castle which overlooks the town, dominates the landscape. Down below, the town, with its narrow streets, half-timbered houses, and numerous restaurants, is an ideal setting to taste the wines of the region. Back on board, dinner is served as the journey continues to Cologne.

### DAY 6 | COLOGNE

The morning is dedicated to the fascinating cathedral city of Cologne, which has over a million inhabitants. You can expect a young, vibrant metropolis with a rich cultural history and world-famous sights, in particular the Cologne Cathedral. Enjoy a walking tour of the gothic old town as well as a tasting of the local Kölsch beer.

Alternatively, if you have a love of chocolate, then a tour to the Chocolate Museum may be on your agenda for the day. After lunch, your vessel departs from Cologne for an afternoon of cruising.

### DAY 7 | NETHERLANDS: AMSTERDAM

By breakfast you will have crossed yet another country border to arrive in the Dutch city of Amsterdam, the capital of the Netherlands. There are many things to do in this vibrant canal city. After breakfast choose to explore the city by canal boat.

This afternoon offers the opportunity to join the excursion through the Waterland to the pretty villages of Volendam and Edam and a tasting of delicious Dutch cheese. Or perhaps venture out to the town of Haarlem with its medieval character and gothic Cathedral, just a short drive away. This evening, the Captain invites you to a festive Gala Dinner.

After dinner, enjoy a rousing Shanty Choir performance to end the evening. The vessel remains in Amsterdam overnight.

### DAY 8 | AMSTERDAM

After breakfast, we bid you farewell and wish you a safe journey home.

### DAY 1 | NETHERLANDS: AMSTERDAM

Historic Amsterdam is the starting point of your European cruise. After embarkation, enjoy a Welcome Cocktail and savor fabulous dishes at the Welcome Dinner. At the end of the day a rousing performance by a traditional shanty choir completes the experience.

### DAY 2 | AMSTERDAM · UTRECHT

Or choose to explore the art, history and culture of the Dutch on a tour of Haarlem. Visit the Cathedral of St. Bavo and enjoy the medieval atmosphere of the town's cobbled streets and gabled houses. Rejoin your ship in Utrecht for lunch.

### DAY 3 | GERMANY: COLOGNE

In the morning, discover the highlights of Cologne on the guided city tour. End with a glass of typical Kölsch, a famed Rhineland beer. After lunch, chocolate lovers will be able to visit the Cologne Chocolate Museum and find out more about the fascinating 500-year history of this melt-in-your-mouth cocoa treat. Alternatively, nature enthusiasts may prefer the excursion to the Siebengebirge National Park, Germany's first nature reserve, and Drachenfels castle ruins. With the Rhine sprawling below in all its splendor, the views from the top of the castle ruins are stunning. After an exciting day, return to the vessel to continue south along the river.

### DAY 4 | RÜDESHEIM

The morning starts on a high note with the passage of the Lorelei in the myth-enshrouded Upper Middle Rhine Valley. At lunchtime, the vessel arrives in Rudesheim, a picturesque wine-making town in the Rhine Gorge where the river landscape has enchanted visitors for centuries, and is protected by UNESCO since 2002. Discover the region's rich history on a walking tour and admire the magical collection of instruments at the Music Cabinet Museum. ## AMSTERDAM – BUDAPEST

*There are an estimated 160 canals in Amsterdam and about 1,300 bridges span the canals.*

RHINE · MAIN · DANUBE

**DAY 1 | NETHERLANDS: AMSTERDAM**

Historic Amsterdam is the starting point of your European cruise. After embarkation, enjoy a Welcome Cocktail and a delicious Welcome Dinner. Sing along some sea shanties with a local choir this evening in the Panorama-Bar.

**DAY 2 | AMSTERDAM · UTRECHT**

In the morning, enjoy a boat trip along the famous Amsterdam canals followed by a trip to the peaceful countryside of the Waterland region. Enjoy the waterside of historic fishing villages and stroll along the long stretch of eateries, cafes and fish stalls selling herring and smoked eel. Or choose, instead, to explore the art, history and culture of the Dutch on a tour of Haarlem. Visit the Cathedral of St. Bavo and enjoy the medieval atmosphere of the town's cobbled streets and gabled houses. Rejoin your ship in Utrecht for lunch.

**DAY 3 | GERMANY: COLOGNE**

In the morning, you will arrive in beautiful Cologne. Discover the highlights of the city on the guided city tour. End with a glass of typical Kölsch, a famed Rhineland beer. After lunch, chocolate lovers will be able to visit the Cologne Chocolate Museum and find out more about the fascinating 500-year history of this much-loved cocoa treat. Nature lovers may prefer the alternate excursion to the Sieben-gebirge National Park, Germany's first nature reserve, and to Drachenfels castle ruins. With the Rhine sprawling below in all its splendor,

the views from the top of the castle ruins are stunning. After an exciting day, return to the vessel to continue south along the river.

**DAY 4 | RÜDESHEIM**

The morning starts on a high note with the passage of the Lorelei in the myth-enshrouded Upper Middle Rhine Valley. At lunchtime, the vessel arrives in Rüdesheim, a picturesque wine-making town in the Rhine Gorge, where the river landscape has enchanted visitors for centuries. Discover the region's rich history on a walking tour and admire the magical collection of instruments at the Music Cabinet Museum. Or choose to take a tram ride through the vineyards of Rüdesheim on the "Wine Express", enjoy some fine wine and stroll along the quaint "Drosselgasse".

**DAY 5 | MILTENBERG · WERTHEIM**

After a tranquil morning on board, join the afternoon excursion to Miltenberg and Wertheim. Miltenberg is a town flanked by the river Main and an incredible, forested hillside and features Miltenberg castle and one of the oldest inns in Germany, the Hotel "Zum Riesen". Continue to Wertheim and explore the medieval streets with their half-timbered houses and the unique glass museum. This evening, enjoy another memorable meal as the ship plies the waters toward our next stop.

**DAY 6 | WÜRZBURG**

Today, visit Würzburg, a city in Bavaria known for lavish architecture, located in the center of

the Franconian wine country. In the morning, experience the many beautiful sights of the town as well as the Residenz, a Baroque palace considered a masterpiece of its era. The tour concludes with wine tasting in the ancient wine cellar of a local vineyard.

As an alternate excursion, join the trip to Rothenburg ob der Tauber, whose towers, city gates, walls, and half-timbered gables have remained unchanged. Relax on board this afternoon and let our Chefs delight you with their culinary magic at dinner.

**DAY 7 | BAMBERG**

Spend the morning cruising the scenic Main river. After lunch, arrive in the imperial city of Bamberg, a UNESCO World Cultural Heritage Site, which retains its medieval layout of three settlement areas, along with its historic buildings and Baroque façades. It is ranked as one of Germany's most attractive towns and is known for its deliciously smoky beer. This German town is also the place to begin your crossing of the Rhine-Main-Danube canal. Join a presentation about the canal which allows free flow of traffic between the North Sea and the Black Sea.

**DAY 8 | NUREMBERG**

The former imperial city of Nuremberg awaits you today with its turbulent history and sights. After breakfast, explore the city on the morning tour, admiring the romantic old town, the Palace of Justice (the venue of the Nuremberg Trials), and more.

Dürnstein: view of the castle and the landscape dominated by wine

Vienna: Schönbrunn Palace

In the afternoon, visit the World of Gingerbread to taste fresh Lebkuchen from the oven and learn about this sweet treat made of honey and spices. If you prefer, learn more about World War II and the Nazi past at the Documentation Center of Nuremberg. Back on board, it's full steam ahead before crossing the Watershed separating the Main and Danube rivers.

#### DAY 9 | REGENSBURG

Regensburg is one of Germany's best-preserved medieval cities. Choose to uncover the secrets of this remarkable UNESCO Site during a walking tour. Alternatively, visit the 18th century Thurn und Taxis Palace for a beer tasting in their traditional brewery. A special Bavarian themed evening celebrates this wonderful region.

In the afternoon, join the city walking tour, which showcases the most enchanting sights of this historic city including St. Stephen's Cathedral, home to one of the largest pipe organs in the world. Back on board, enjoy dinner as the vessel sets off toward the Wachau Valley.

#### DAY 11 | AUSTRIA: EMMERSDORF · DÜRNSTEIN · VIENNA

Benedictine abbey – the largest in Austria. Back on board for lunch, continue through the vineyards of the Wachau to the village of Dürnstein. Take a guided afternoon tour in the romantic village with its iconic blue church and winding streets, and sample the local wines. ### PASSAU – BUDAPEST

*Passau: the beautiful old town is a must for all those who like historic small towns with a special flair.*

#### DAY 1 | GERMANY: PASSAU

This afternoon, embark and settle in your cabin. This evening, meet fellow travelers at a Welcome Cocktail, followed by a beautifully prepared Welcome Dinner.

#### DAY 2 | REGENSBURG

This morning, your vessel arrives in one of Germany's best-preserved medieval cities. On the morning tour, immerse yourself in the historic atmosphere of the town, which boasts architecture from many different centuries and a 12th century bridge. In the afternoon, choose between a visit to the 600-year-old Weltenburg Abbey, which is situated on the banks of the Danube and houses the oldest monastic brewery in the world, and a trip to the 18th century Thurn und Taxis Palace with beer tasting at their traditional brewery. This evening, enjoy a special Bavarian theme on board with regional delicacies and live music.

#### DAY 3 | PASSAU | AUSTRIA: LINZ

The vessel returns this morning for a short stop at the three-rivers city of Passau, lying at the confluence of the Danube, the Inn and the Ilz. In the morning, take a guided walking excursion. At St. Stephen's Cathedral, see an organ with 17,774 pipes and 233 registers, the second largest in the world. Passau is also the starting point for the full day excursion to Salzburg with lunch at a local restaurant. For those remaining on board, relax on the Sun Deck and take in the scenery as the vessel moves toward its late afternoon visit to Linz. Join the walking tour and stroll on streets and squares boasting unique churches, concert venues, and plenty of artists who come to the city to thrive. Before returning to the vessel, sample perhaps the famous Linzer Torte.

#### DAY 4 | EMMERSDORF · DÜRNSTEIN · VIENNA

Set on a rocky outcrop overlooking the Danube, the Baroque Benedictine abbey of Melk awaits you this morning with its frescoes created by pre-eminent artists of the 18th century, and a magnificent library with priceless manuscripts. During lunch on board, the ship continues to Dürnstein, a picturesque wine growers' village located in the heart of the UNESCO World Heritage Site of the Wachau Valley. Explore the village with a local guide or choose an excursion to a local vineyard to sample some of the region's famous Grüner Veltliner wines. The ship arrives in Vienna later this evening and remains overnight.

#### DAY 5 | VIENNA

There is much to see in Vienna: its imperial palaces, the Museum Quarter displaying works by Egon Schiele, Gustav Klimt and other artists, pompous splendors along the "Ringstrasse", St. Stephen's Cathedral and the Neo-Renaissance State Opera among many others. This afternoon, perhaps venture to Schönbrunn Palace, the sumptuous summer palace and gardens of Empress Maria Theresa and the Habsburg Empire. Cap off your Vienna experience with a "Sound of Vienna" concert in a local hall. Listen to the "Alt Wien" orchestra play popular pieces from Vienna's classical era. The vessel remains in Vienna until late this evening when it departs for Bratislava.

#### DAY 6 | SLOVAKIA: BRATISLAVA

Wake up this morning in Bratislava, a jewel on the Danube and the capital of Slovakia. Explore the city on your own or with a guided optional tour through the city. See the home of the Slovak Philharmonic Orchestra, the old city

walls, the summer residence of the archbishop and the current residence of the president of Slovakia. This afternoon continue to explore the city at your own place or choose between two exciting optional shore excursions. Travel outside the city to the Schloss Hof Palace and Estate – the Imperial country estate of the Habsburgs acquired by the Empress Maria Theresa. Or explore the history of wine in Hungary along the Little Carpathian wine route, set among the Carpathian mountain range. Visit a wine cellar and enjoy a tasting of the local wines.

#### DAY 7 | HUNGARY: ESZTERGOM · BUDAPEST

Relax on board as the vessel makes its way to Budapest, Hungary. For those interested in exploring the Hungarian countryside, the optional excursion departs in Esztergom, with its basilica dedicated to Saint Mary, and continues to Szentendre, known for its art galleries and museums. Rejoin your vessel after it docks in Budapest in time for lunch. This afternoon, explore the fantastic Hungarian capital of Budapest on a panoramic tour. The unique Chain Bridge straddles the Danube, connecting the Buda side and its Fisherman's Bastion, with the Pest side and its iconic Hungarian Parliament building. On your last evening on board, the festive Captain's Gala Dinner and a lights cruise through the magnificently illuminated metropolis, accompanied by a spirited folklore performance, await you.

2nd Bulgarian empire. Étretat: the famous cliffs on the coast of Northern France

# Paris, Normandy and the River Seine

PARIS – LE HAVRE – PARIS

## DAY 1 | FRANCE: PARIS

Embark this afternoon in Paris, the romantic City of Light. After unpacking, join your fellow travelers for a Welcome Cocktail, followed by a specially-prepared Welcome Dinner.

## DAY 2 | CONFLANS-SAINTE-HONORINE

Arrive early in the morning in Conflans-St.-Honorine, at the confluence of the rivers Oise and Seine. Join a guided tour to the little town of Auvers-sur-Oise, a charming French town with narrow laneways, shuttered homes and the scent of roses guiding your exploration. It is not hard to see why the town was an inspiration to many Impressionist masters, including Cezanne, Pissarro and Daubigny. The most famous of these artists is Vincent van Gogh, whose final resting place is here. Depart late this afternoon.

## DAY 3 | ROUEN

This morning, join a walking tour of the capital of Normandy and visit the cathedral that inspired Claude Monet, and the modern Church of Joan of Arc with its magnificent 16th century stained-glass windows. This afternoon, go back to the 17th century by visiting Le Pressoir d'Or, a typical farmhouse where you can taste cidre and view the orchard cellar and the museum dedicated to the old apple press. Afterwards, there is enough time left to visit Lyons-la-Forêt, known as one of the most beautiful villages of France. Wander through the streets admiring the houses – many are half-timbered, others are in red brick,

some richly decorated and many covered with flowers. Late this afternoon, the vessel departs as it continues northward.

## DAY 4 | LE HAVRE

The harbor of Le Havre is your convenient base for two optional land explorations. Explore the Norman coastline on a walk along Étretat's cliff-top paths for a view of the steep chalk rocks with impressive needle-like formations. This afternoon, opt for a tour to the nearby city of Honfleur, with its picturesque old harbor lined with pastel colored 16th – 18th century townhouses, complete with fishing boats and luxurious pleasure craft. Along the waterfront, watch the talented artists at work, capturing the delightful view for eternity. This stretch of coastline is one of the most beautiful for its horticulture and scenery. On board the vessel this evening, enjoy the music of local chanson singers.

## DAY 5 | LE HAVRE · CAUDEBEC-EN-CAUX

Today, join us on a full-day Norman journey. Experience a combination of rich culinary traditions and historic landmarks including the closest harbor linked with the liberation of Western Europe after D-Day – the city of Arranches with its remnants of the Second World War Mulberries. For those remaining on board, this afternoon offers the chance to explore Fécamp, a seaside resort and home to Le Palais Bénédictine, which produces the famous liqueur. The vessel departs after dinner this evening.

## DAY 6 | LES ANDELYS · VERNON · MANTES-LA-JOLIE

Today, there are several choices for the day's adventures. Relax in little town of Les Andelys or venture farther afield to the remains of the English king's stronghold: Château Gaillard. Continue to Giverny, to visit the home of Impressionist Claude Monet and the beautiful gardens which were inspiration for several works of art. After lunch on board, join an excursion to Château de Malmaison, the former residence of Joséphine and Napoleon Bonaparte, to immerse yourself in the privacy of the Imperial couple. After you rejoin the ship in Mantes-la-Jolie later this afternoon, your ship continues to Paris.

## DAY 7 | PARIS

In the early morning, it is once more "Bienvenue" to the French capital. Explore the sights of the Eiffel Tower and the bustling Champs-Élysées, one of the world's most famous commercial streets, during a morning city tour. Later in the day, visit the artists' district of Montmartre and the Sacré-Coeur, located on the highest hill in northern Paris. It is here, in the seedy hillside quarter of Montmartre that young Pablo Picasso lived and worked when he first arrived in Paris in 1900. Late this afternoon, enjoy a festive Captain's Gala Dinner and admire the city lights of the French capital.

## DAY 8 | PARIS

After breakfast, your AMADEUS crew bids you "adieu" and we hope to see you again soon!

# General Terms and Conditions of Travel 2023

## PREAMBLE:

These terms and conditions of travel are issued in the name of the Carrier, Dr. W. Lüftner Reisen GmbH/A-6020 Innsbruck, for the travel programs included in this brochure. Dr. W. Lüftner Reisen GmbH also does business under the brand name Lüftner Cruises.

In the following, these are uniformly referred to as "the Carrier". These terms and conditions of travel thus apply to programs offered under either name. The transportation of passengers and luggage on any of the passenger ships offered is governed by the Terms and Conditions of Carriage (Passenger Ticket Contract), which is available on request.

## PAYMENTS:

Tour prices are due for payment as follows:

- 10% of the total payment to be made upon conclusion of the booking contract;
- the balance is due at the latest 20 days before the start of the trip.

All bookings are subject to payments having been made by these dates. In the event of late payment, the Carrier has the right to unilaterally cancel bookings by applying the cancellation fees specified in these terms and conditions of travel.

## CANCELLATIONS:

In case of cancellations, the Carrier has the right to charge the following cancellation fees, each calculated as a percentage of the tour price and dependent on the number of days until the scheduled departure:

121 days or more	10%
120 – 90 days	15%
89 – 60 days	35%
59 – 30 days	50%
29 – 15 days	80%
14 – 1 day(s)	85%
on the day of departure	90%

Cancellations must be made in writing. Cancellation invoices are due for payment upon receipt.

## WITHDRAWAL AND TERMINATION BY THE CARRIER:

The Carrier may withdraw from the travel contract before or after the start of the cruise in the following cases, without this giving rise to any claims against the Carrier, in particular for damages:

- The Carrier and/or its representatives on board have the right to prohibit passengers from remaining on board if, despite prior warning, they do not comply with the rules and regulations in force during the cruise, including, in particular, applicable hygiene and health measures, and orders and instructions by the ship's command, or if their behavior impairs the health and well-being of other passengers or crew, and/or the safety of the ship, or if their behavior harasses other passengers. All consequences arising therefrom shall be borne exclusively by the passenger in question and he/she shall not be entitled to any refund of the travel fare.
- If, by two (2) weeks prior to the start of the cruise, the stated minimum number of participants (80 full-paying passengers per cruise) has not been reached, or if the alternative minimum number of participants indicated in the travel description for the service concerned has not been reached. This also applies in the event that it becomes apparent at an earlier point in time that the minimum number of participants cannot be reached.
- If, by four (4) weeks prior to the start of the cruise, with the Carrier having exhausted all possibilities, it would be unreasonable for the Carrier to execute the cruise because the costs incurred in the execution of the cruise would exceed the economic limit in relation

to the cruise; that is, unless the Carrier itself is answerable for the reasons leading to this situation.

Please note: A minimum number of participants is required to operate the excursions. Minimum participation for tours by bus: 20 people; minimum participation for walking tours: 12 people.

## WARRANTY, REMEDY AND DUTY TO CO-OPERATE:

If travel services are not provided in accordance with the contract, the passenger may demand remedy, either directly on board or via his/her travel agency. Notwithstanding the Carrier's primary duty to provide service, the passenger has a duty to co-operate in that they must do everything within reason to contribute to remedying the disruption in performance and to minimize or to avoid completely any damages that may arise. In particular, the passenger is obliged to report any complaints immediately to the Carrier's representative on board (specifically to the hotel manager, cruise director). However, these persons are not authorized to recognize any possible claims.

## CHANGES IN SERVICES AND PRICES:

- Changes and deviations of individual travel services from the agreed content of the travel contract (for example, travel timetable changes, changes to the scheduled program, change of hotel) that become necessary after the conclusion of the contract, and which were not caused by the Carrier contrary to good faith, are permissible, provided the changes and/or deviations are not significant and do not affect the overall nature of the trip booked.
- The Carrier reserves the right to adjust the advertised prices in the event of an increase in transportation costs (in particular, due to increased fuel costs), in the cost of docking fees, or in the event of changes in exchange rates, or in the event of any other cost increases that were not known at the time the booking contract was concluded.

## CANCELLATION OF THE CONTRACT OR PROGRAM CHANGES DUE TO EXTRAORDINARY CIRCUMSTANCES (FORCE MAJEURE):

- Before the cruise starts:** If execution of the cruise is impeded, jeopardized or impaired as a result of extraordinary circumstances that were unforeseeable at the time of entering into the contract and for which the Carrier is not responsible, such as war, strikes, civil unrest, sovereign directives (such as the requisition of accommodation or of means of transportation), embargoes, natural disasters, accidents, epidemics, pandemics, damage to the ship (especially to the hull and engines, etc.), or other occurrences that are equivalent in their effect to the examples mentioned above (force majeure), the contracting parties may withdraw from the contract before the start of the trip, without any claims against the Carrier arising from this, in particular for damages.
- During the cruise:** If a cruise that has already begun is delayed for any of the reasons mentioned above, the Carrier is authorized to rearrange the remainder of the cruise (for example, by omitting a port, changing the schedule, traveling overland, etc.), in such a way that the cruise can be completed at approximately the originally scheduled time, without reducing the cruise price and without this giving rise to any claims against the Carrier, in particular for damages.
- Termination of a cruise:** Should a cruise that has already begun have to be terminated for any of the reasons mentioned above, the Carrier is authorized to transport the passenger(s) and their luggage to the agreed starting or end point of the cruise, or to an appropriate intermediary point with appropriate means of transport (train, bus or plane). No further claims can arise against the Carrier from this, in particular for damages.
- Ship in distress:** Should the ship render assistance to another ship in distress during the cruise, the Carrier shall not be liable for any resulting delay of the cruise. The decision to render assistance is

exclusively borne by the ship's command, without any claims against the Carrier arising from this, in particular for damages.

**e) Changes in water level:** Low or high river water levels may cause changes to the schedule, possible re-embarkation onto another ship, overland transfer(s) by bus or rail, or may even lead to a shortening of the travel itinerary. The Carrier and the ship's captain sometimes have to make such decisions at short notice. Such measures do not entitle the passenger(s) to withdraw from the contract or to make any claims against the Carrier, in particular for damages.

#### **UNUSED SERVICES:**

If, as a result of an early return or for other reasons, passengers do not make use of individual cruise services that were properly offered, there is no entitlement to a pro rata refund of the cruise price. The Carrier will, however, endeavor to obtain reimbursement for the expenses saved from relevant service providers. This obligation does not apply if the services in question are completely insignificant.

#### **PASSPORTS, VISAS, CUSTOMS, CURRENCY EXCHANGE AND HEALTH REGULATIONS:**

The passenger himself/herself is responsible for compliance with all regulations required for the execution of the trip. Any disadvantages resulting from noncompliance with such regulations shall be borne by the passenger(s), unless caused by culpable misinformation or incorrect information from the Carrier.

#### **TRAVEL SECURITY CERTIFICATE:**

Dr. W. Lüftner Reisen GmbH is registered in the Carrier directory of the Austrian Federal Ministry of Economy, Family and Youth (BMWfJ) under number 2004/0052. In accordance with the travel agency insurance ordinance (Reisebürosicherungsverordnung – RSV) applicable to Austrian Carriers, Dr. W. Lüftner Reisen GmbH insures customer money received. Further information regarding the travel security certificate, the assertion of rights, deadlines, etc., and on the exclusion of claims can be obtained from the travel agency handling the reservation.

**TRAVEL INSURANCE:** For their own safety, passengers are advised to obtain a cruise insurance in good time covering, in particular, any possible cancellation costs, damage to and/or loss of luggage, costs of any possible medical treatment, repatriation services, etc.

**NAME CHANGES:** In case of name changes to an existing booking, the Carrier may charge a fee of € 30.

#### **PASSENGERS WITH SPECIAL NEEDS:**

The Carrier does not discriminate against persons with special needs. All means of transport used in these programs comply with European standards. Most of the ships have lifts that provide easy access between decks (except for the Sun Deck). However, the route between the ship and the shore, in particular, may have major obstacles that must be overcome by all passengers without the use of, for example, a wheelchair. Likewise, not all the used ports or buses, etc., always have suitable facilities. For this reason, persons with special needs must inform themselves as to whether it is possible for them to take part in the trip and/or obtain the Carrier's consent before making a booking. In addition, for safety reasons, the transportation of wheelchairs may be prohibited by the ship's command. A claim against the Carrier, in particular for damages, cannot arise from such non-admission.

#### **CHILDREN/MINORS:**

Due to the particular features of the cruise programs, special provisions apply to bookings with children and minors:

- The Carrier may limit the number of passengers under 3 years of age.

- Passengers up to the age of 16 must be accompanied by and share a cabin with a parent, guardian or other responsible adult over the age of 21.

#### **LIABILITY/LIMITATION OF LIABILITY/EXCLUSION OF LIABILITY:**

- a) The Carrier is liable for services which are included in the description of the respective cruise.
- b) The Carrier is not liable for any service disruptions, damages to persons, or damages to property in connection with services that are identified as third-party services.
- c) The Carrier expressly refers to possible limitations of liability and/or exemption from claims in force under the Strasbourg Convention on the Limitation of Liability of Owners of Inland Navigation Vehicles (CLNI), including protocols and amendments, together with the further provisions of the Convention on Limitation of Liability for Maritime Claims, 1976, likewise including amendments and addenda, if and as applicable, as well as all other state laws applicable in this respect.

# Important Information

**AIR CONDITIONING:** Please note that the air conditioning in your cabin is only effective if doors and windows are kept closed. Air conditioning can be regulated individually in each cabin.

**ANNOUNCEMENTS:** A public address system enables our Cruise Directors to provide important information about places we are passing, the onboard program and shore excursions. You can hear these announcements on the Sun Deck, in your cabin, and in all public areas of the vessel.

**CHANGING MONEY:** Please inform yourself of the currency regulations in the countries you are visiting before commencing your journey.

**CLOTHING:** By day and during shore excursions, we recommend casual clothing and comfortable footwear. A jacket or pullover may be required in the evening. For dinner and special occasions we recommend dressing smartly.

**CRUISE DIRECTOR'S TEAM:** The Cruise Director's team will look after you throughout the cruise and is happy to provide any additional information you require.

**CRUISE ITINERARIES:** Although every effort is made to keep itineraries as advertised, we reserve the right to make changes and substitutions as necessary to ensure the safety of our guests and our vessels. Due to force majeure, high or low water, and technical problems relating to the ship, as well as waterway infrastructure, waiting times at locks due to traffic, etc., changes may occur. In such cases, you will be immediately informed on board about the consequences.

**DAILY PROGRAM:** A Daily Program is placed in your cabin on the previous evening. It contains important information such as meal times, as well as the timing for excursions and other events.

**DECKCHAIRS:** There are plenty of deckchairs on the Sun Deck which are available free of charge.

**DINING:** The onboard restaurant accommodates all guests in one sitting. The restaurant serves both local and international dishes and a vegetarian option is always available. The Maître D' will assist with seating.

**DRINKING WATER:** The ship has been outfitted with a sophisticated filtration system, and the tap water in each stateroom is safe to use.

**ELECTRIC CURRENT:** The voltage on board ship is 230V, European standard. To use any electrical product that is not dual voltage (e.g. from the US, Canada, Australia or the UK), you will need a plug adaptor and some devices will require a voltage converter. A two-pole adaptor is available at reception.

**ELEVATOR:** All AMADEUS vessels in this brochure are equipped with an elevator that services all decks except the Sun Deck.

**DOCKING:** Local river authorities allocate docking space around ship arrivals/departures in port. Occasionally port conditions require ships to tie up alongside each other, in which case guests may be required to walk through another ship to access their own ship. This is part of the river cruise experience and is perfectly normal and beyond our control. Guests may experience obstructed views from staterooms when the ship is docked.

**ENTERTAINMENT PROGRAM:** The schedule for the onboard entertainment may be found in the Daily Program.

**EXCURSION PROGRAM:** Excursion packages can be purchased at a discounted rate before the start of your cruise. Excursions can be booked on board either individually or as a package at the cost specified in the travel catalogue. You will receive a description of the excursions with your travel documents before the start of your cruise. Should you have any further questions, please contact the Cruise Director on board. Where possible, shore excursions will be conducted in one language only, provided there is a minimum of 20 participants.

**FAMILY RATE:** The *AMADEUS Imperial*, the *AMADEUS Star*, the *AMADEUS Queen*, the *AMADEUS Provence* and the *AMADEUS Silver III* have a limited number of C-1 cabins with connecting doors, which can be booked on request for 2 adults with 1 or 2 children. The two adults pay the regular cruise price, while the accompanying child or a maximum of 2 accompanying children receive a 30% discount in the adjacent cabin.

**FITNESS:** A fitness room is open 24 hours a day on every AMADEUS vessel.

**GIFT SHOP:** This shop offers exclusive AMADEUS branded items, as well as souvenirs, postcards, stamps, accessories and some everyday essentials.

**GRATUITIES:** Gratuities are a common way for guests to express their satisfaction with the cruise staff. If you are happy with the service you receive, our staff will appreciate tips in recognition of their effort. You will receive further information on board.

**HEALTH:** Please inform your travel agent if you require special medical arrangements on board. We reserve the right to refuse such requirements. For passengers with special needs, please refer to the regulations in the General Conditions of Travel.

**INSURANCE:** While travel insurance is not required in order to participate in this program, we recommend that each guest purchase a travel protection plan, as unforeseen circumstances can occur both prior to and during travel.

**INTERNET/WIFI:** All AMADEUS ships have wireless Internet/WLAN. We ask for your understanding that the connection may be weaker on certain sections of the route. In addition, there may be short interruptions when national borders are crossed. The staff on board can provide more detailed information on this.

**LAUNDRY SERVICE:** A laundry service is available on board for a nominal fee. Please note that neither self-service laundry facilities nor dry cleaning services are available.

**LIBRARY:** There is a selection of light reading material available for your use on board. Whenever possible, daily newspapers are also made available. At the end of the cruise we ask you kindly to return any books or magazines you have borrowed.

**MEDICATION:** If you require any special medication, please ensure that you have an

adequate supply before joining the cruise. The onboard pharmacy is equipped for emergencies.

**ONBOARD ACCOUNT:** Your account will include your personal expenditures in the bar, restaurant, onboard shop, etc. At the end of the cruise, you will be presented with a bill for settlement prior to disembarkation.

**ONBOARD CURRENCY:** The currency on board is the EURO.

**PAYMENT METHODS:** The following payment methods are accepted for the payment of shore excursions and the settlement of your onboard account: cash in the form of Euros, Swiss francs (CHF), British pounds (GBP), US dollars (USD) and Norwegian krone (NOK), as well as Maestro bank cards and common credit cards such as American Express, Visa, MasterCard and Diners Club.

**PETS:** Pets are not permitted on board.

**POSTAL SERVICE:** Letters and postcards can be mailed through the Reception Desk. Mail will be sent from the next port of call.

**SAFE:** Please use the safe in your cabin to store valuables, cash, etc.

**SERVICES NOT INCLUDED:** Please see the travel description to determine which services are included. Tips and other personal expenses are not included.

**SMOKING:** For safety reasons, smoking is not permitted anywhere inside any AMADEUS vessel. Smoking is only permitted on the Sun Deck and on the River Terrace.

**SPECIAL DIETARY NEEDS:** If you have special dietary requirements or suffer from food allergies (e.g. lactose intolerance, gluten intolerance, etc.), please inform your travel agent at the time of booking. Our crew is experienced in carefully observing dietary needs. Please note, however, that while our crew will do their best to ensure that your request is accommodated, they are, of course, also responsible for the care of the other passengers on board. We reserve the right to refuse certain dietary requirements or to charge for them separately.

**TRAVEL DOCUMENTS:** Please check with your travel agent or respective embassy regarding the entry regulations of the respective countries before starting your cruise. If necessary, the reception desk will ask you to hand in your travel documents on embarkation in order to reduce the paperwork associated with border crossings as much as possible. All travel documents handed in will of course be stored safely.

**TV CHANNELS:** TV is received by satellite. In locks and on certain stretches of the river there may be slight interference/interruptions to the service.
